# Who **we are** & What **we do?**

We're **Prismatic Technologies**, a social media communications agency based in **Pakistan**. We understand the importance of a brand's social media presence. We get to know them and their target audiences intimately, then we create, develop and communicate brands and their messages in an impactful & engaging way on their social media platforms.

**Prismatic Technologies** designs and implements a social media marketing campaign for its clients in such a way that adds value to potential and existing stakeholder and does not look like a mere company pushing product.

The best way for us to tell you our story is through the projects that we deliver for our clients – the following pages will show a brief about us, our services and some of the best creative – we hope you like it!

# OUR MISSION

We are on a mission; a very challenging mission.

Yes, you got it right. We are on a mission to build a long term relationship with you and serving you a perfect social media experience.

To make a relationship last long, a strong connection is the key. Knowing each other, building a consistent approach, taking an in-depth look at the scenario together is how we make it work.

**2 billion**  
active social media users.

**1.6 billion people using smartphones.**

**77% of social media accessed via mobile devices.**

**Over 3 billion active internet users.**

= 10,000,000 people

**Over 1 billion**  
people visit YouTube each month.

# SOCIAL MEDIA MANAGEMENT

We aim at creating brand awareness, initiate & encourage consumer interactions & also look after the reputation management.

Social Media Management means managing your all social media profile like **Facebook, Instagram, LinkedIn, Twitter, pinterest, Youtube, Google** plus, etc in an integrated manner. It includes continuous updates about your brand and more important is interaction with your customer.

**Nowadays** customers not only check brand's presence on social media presence and reads review written by other users, but also check whether brand is responsive or not. Customer's trust also increases when they observe their friend is also following the same brand.

For all these, it is necessary for a brand to manage all social media profiles in an utmost professional manner.

We, at **Prismatic Technologies**, take care of this with a pride of expertise. We are a team of content writers, graphic designer, social media strategist and social media manager. So, this helps a brand to get social with lucid content, attractive graphics and integrated strategy.
